PROFILE

Early-career marketing professional with an **MSc in Marketing & Brand Management** from Oxford Brookes University and hands-on brand experience at **Coral S.A. — Shell Licensee (Motor Oil Group),** where I supported a 360° campaign, agency briefings and brand initiatives. My background in **Sport Management** has strengthened my organisational, collaborative and problem-solving skills. I combine strategic and creative thinking with AI-assisted research, content creation and copywriting, with a strong interest in digital marketing, brand development and delivering impactful campaigns.

EXPERIENCE

Marketing Trainee
Jul 2025 – Sep 2025
Coral S.A. — Shell Licensee, Motor Oil Group
Athens, Greece

- Briefed advertising agencies on a **360° fuels campaign** and coordinated delivery of campaign content across channels.
- Wrote the creative brief for a new **brand photo library** for future traditional and digital media campaigns.
- Created the **Social Media Guidelines for Shell dealers**, aligning the retail network's local posts with brand standards.
- Supported planning for **Shell's 100th anniversary in Greece (2026)**, ran social media activations and assisted retail network coordination.

Intern — Event Organisation & Finance
Jun 2022 – Oct 2022
Hellenic Basketball Federation
Athens, Greece

- Supported the organisation of **5 international basketball events,** including **4 men's events** — FIBA Basketball World Cup Qualifiers (Greece–Great Britain, Greece–Belgium), the 31st Acropolis International Tournament and a Greece–Spain friendly — and the **1st "Vasso Beskaki" Women's International Tournament.**
- Supported the Financial Management department with event-related administrative tasks.

EDUCATION

MSc Marketing & Brand Management — Distinction
Sep 2024 – Jul 2026
Oxford Brookes University
Oxford, UK

BSc (Hons) Sport Management — Dual Degree
Sep 2019 – Jun 2024
Deree – The American University of Greece · Open University (UK) validated
Athens, Greece

PROJECTS

E-Commerce Profitability & Marketing Analytics Platform
Independent Project | 2026–Present | In Development

- Conceptualised and developed a **functional e-commerce analytics platform** using **AI-assisted development tools,** combining product costs, order profitability, refunds and advertising performance.
- Built and tested **financial and marketing reporting capabilities** covering **contribution margins (CM1/CM2), ROAS, Marketing Efficiency Ratio (MER)** and **campaign attribution.**

LEADERSHIP & DEVELOPMENT

- **Treasurer, Deree Sport Management Society** (2019–2024) — responsible for the society's finances and supported event planning.
- Oxford Brookes experiential learning: **Strategic Planning in Practice** (Nov 2024), **Negotiation & Conflict Management** (Bodyswaps, Mar 2025), Employability Workshop (Mar 2025).
